Samira Ahmadi

Junior Software Developer

📞 +31648895435   @ ahmadi.samira6761@gmail.com   📍 Veenendaal, NL   ☆ Dutch nationality

SUMMARY

I bring energy and curiosity to every project I work on. I enjoy sharing ideas, listening actively, and building smart solutions as a team. I naturally connect the dots between details and the bigger picture, and I'm at ease switching between structured thinking and creative problem-solving. I stay engaged, even when things get complex, and I always show up ready to learn something new and useful.

PROJECTS

🔁 ShareWithUs

ShareWithUs Full-stack app for lending & borrowing items in a community. Built with the MERN stack, including login, filtering, and Cloudinary image upload.

🪙 Crypto-App

🪙 **Crypto-App** Crypto dashboard using React & CoinGecko API. Features include live search, charts, and saving favorite coins using local Storage.

EXPERIENCE

Full Stack Web Developer Trainee

HackYourFuture   📅 11/2024 - 06/2025   📍 Amsterdam, Netherlands

- Completed a 7-month intensive coding bootcamp focused on full-stack web development.
- Developed 3 full-stack web applications using React, Node.js, MongoDB, and Express in Agile sprints. Participated in code reviews and pair programming. Delivered features like authentication, filtering, and cloud image uploads using Cloudinary.
- Collaborated with peers in Agile teams, used GitHub for version control, and participated in code reviews and testing.
- Learned to deploy applications and follow best practices in clean code, accessibility, and responsive design.

Production & Quality Control Assistant

Technivorm   📅 09/2022 - 09/2024   📍 Amerongen, Netherlands

- Conduct visual and functional checks on assembled units to ensure compliance with Technivorm's quality standards.
- Report defects or irregularities promptly to the supervisor or quality coordinator.
- Perform simple test procedures (e.g. power-on tests, water flow checks) following set protocols.
- Assist in recording and organizing test results for traceability and compliance.

Accountant

Taravat Company   📅 08/2015 - 03/2021   📍 Shiraz, Iran

- Managed day-to-day accounting tasks such as invoicing, payments
- Prepared monthly and annual financial reports
- Used Holoo accounting software for bookkeeping, and tax calculations
- Gained strong experience in financial systems, organization, and independent problem-solving
